

## Save costs?

### Get more grip and greater gains with groupage shipping!

Many small and mid-sized U.S. moving companies know about groupage shipping but lack the network—or simply don't realize Schmidt Global Relocations offers a suitable solution. Volumes are too low, forcing you into costly LCL shipping. With Schmidt Global Relocations you can cut costs and simplify international moves with a seamless, high-efficiency groupage alternative.

### Benefits to USA moving agents

- Cost-effective: fixed rates provided as an attachment.
- Savings vs. LCL: no costly liftvans or high NVOCC charges at the destination.
- Flexible packing: You can pack and transport to NY/LA warehouses, where we take over.
- One-stop-shop: we manage destination services across all European countries.
- Faster shipping: no need to wait for full consolidation, ideal for smaller companies.
- Duty-free entry: used HHE enters all EU countries with simple documentation.

## Stop overpaying. Start shipping smarter.

Discover how our groupage solution saves you money on your international moves. Get fixed rates, faster shipping, and a seamless whs-to-door service.
